All out of town attendees will be provided transportation to & from the airport! Anyone flying will be provided a SCBA however bring your mask and full bunker gear (required for full hands on portion). If you choose strictly Lecture/Command Track, gear will not be necessary and class size will be larger allowing for more attendees.

Sign up now -early registration \$200- then the price will go up to \$250-300(not to exceed 300 total cost). Conference limited to 150 and the conference is already half sold out as of 06.10.13. Conference is already over half sold and will most likely sale OUT before the end of summer! There are still a few spots available and a dozen states are already represented.

Hotel Reservation will be available after Labor Day @ a rate under \$100. Hotels will be easy to book with plenty of rooms available due to being our tourism off season.

**This will be the foremost highrise training symposium event in the southeast in 2013!!!
This event is approved by the Florida State Fire College for credit**
